Dinesh Kumar
Manager Procurement, SAMS

Responses with regard to queries/suggestions received for Advertised Tender Enquiry (ATE) for Design, Construction, Testing, Commissioning and Validation of TB Containment Laboratory and associated works with two years of Comprehensive warranty period on 'Turnkey Basis' at Government Medical College, Department of Microbiology, Akola, Maharashtra in compliance with National Tuberculosis Elimination Program (NTEP), Central TB Division (CTD), Govt. of India (Bid Ref No.: SAMS/FIND/Lab Up-gradation/ATE/16/2021 dt. 03/09/2021.

S. No.	Para / Clause Reference in Bid Document/ Page No.	Para / Clause Reference in Bid Document/ Page No.	Query / Suggestions	Response
1.	NA	NA	The electrical work mentioned for the Autoclave room, Equipment room, microscopy room, kindly clarify whether they have to consider the power supply from our panel or from any other source so that we can take the quantity of wiring accordingly.	The site has a distribution panel already installed in the corridor. Bidder needs to do necessary cabling and wiring from the Distribution panel installed by site. Refer the layout in the Tender document.
2	NA	NA	Please clarify the drain route for the plumbing work in the autoclave room, so that Agency can take the quantity accordingly	The drain needs to be taken out from backside of the Autoclave room. At the backside of the building the existing drainage lines are already available. Bidder needs to connect the drainage to the existing drainage available. Refer the layout in the Tender document.
3	Page No. 54		The Quantity of ducting and Insulation in the price bid are not the same	The quantity of ducting is lesser compared to Insulation of ducting as already mentioned in the Price Bid Doc. The reason being internal duct work is already completed and only insulation for internal duct and ducting work and Insulation for external Ducting has to be carried out.
